Naadee Veteran Apprenticeship Program

Your Civilian Career Awaits

Are you a military veteran looking for assistance?

Do you need help connecting to your earned military benefits?

Are you searching for a career in your chosen degree field?

The Naadee Development Corporation (NDC) can connect you to your military benefits and help find the career of your dreams!

The NDC is a non-profit organization created to assist veterans. We specialize in bridging the gap between military veterans and employers.

The NDC program is designed to optimize the successful transition from your military or college career to the civilian workforce. The program affords veterans an opportunity to adjust back to civilian culture.

The goal is to build long term solutions for veterans who qualify for one of our programs, which will lead to sustained employment.

Other resources to you and your families are available through partner agencies to enhance your quality of life.

To obtain assistance visit our website at <http://naadee.org>

Create a veteran profile, one of our dedicated Veteran Liaisons will contact you about available opportunities.

You can call us directly at (248) 440-2334 or e-mail veterans@naadee.org.

Like us on Facebook (Naadee Development Corporation) to learn about events, training and career opportunities.

We are Veterans helping Veterans and are eagerly waiting to assist you!
